

SOUTH EDINBURGH SENIORS GOLF LEAGUE

MINUTE of meeting held in Glencorse Golf Club on 24th October 1995.

SEDERUNT The following Clubs were represented - Broomieknowe, Craigmillar Park, Glencorse, Lothianburn, Mortonhall, Ravelston, Swanston and Torphin Hill.

BUSINESS RAISED 1. Composition of the League. It was agreed to admit Merchants Golf Club but to limit membership to 10 Clubs, the number now involved.

2. Handicaps. It was agreed that matches should be played off three quarters handicaps i.e. the lowest handicapped player in each game going to scratch, the others receiving three quarters of the difference.

3. A provisional fixture list was distributed, the dates thereon being suggestions only.

4. Team selection and order of play. The majority view appeared to be that players in a team should be paired with others of nearly similar handicap while allowing leeway to avoid incompatibilities of personality. It was unanimously reaffirmed that the lowest handicap pairings should play at the 'top' of the team, the others following in order of rising handicap.

5. Broomieknowe would be approached with a view to organising a Stableford event in 1996 similar to that played at Glencorse.
